## The height of refinement

Announcing the entrance to London's West End, West End Gate is a modern interpretation of classic London and brings brand new homes to one of London's most prestigious postcodes. Its 30-storey tower is iconic in form and stature, providing impressive city views.

Westmark is the tallest of the buildings at West End Gate and provide dramatic views towards the City, Regent's Park and Hyde Park. A sense of arrival is created by a sweeping entrance with water features at ground level that transitions into a grand lobby.

Designed by renowned architects Squire & Partners, Westmark offers a range of facilities, including a concierge, gym, swimming pool and a private cinema. With a new piazza complete with water features and beautiful landscaping, Westmark is designed to make the grandest of statements.
